

As we begin to close out 2021 and look back on all that Frankfort has accomplished, it just inspires me. All of the projects that were completed and the new businesses that opened makes me excited for the future not only in Frankfort but in Clinton County as well. We have many projects planned for 2022, approved grants for better infrastructure, and young entrepreneurs looking for spaces to build their empires here in Frankfort.

I hope that you find peace, joy, and love this holiday season as you gather with friends and family. We have so much to be thankful for in Frankfort, and it has been a blessing to serve the City of Frankfort. I can not be more proud to call Frankfort my home. Downtown Frankfort has been turned into a beautiful winter wonderland full of Christmas lights, Christmas displays, and decorated shops and restaurants. Our streets have been full of people shopping and enjoying the small-town atmosphere. God Bless and Best Wishes for the New Year.

Merry Christmas and Happy New Year!
